## PREMIER LONG RANGE

FEATURING  
**SPEER IMPACT**

**BIG GREEN vs BIG GAME.  
NO CONTEST.**

Exclusively from Remington, Speer's® groundbreaking Impact™ bullet is now available for the first time in loaded ammunition. Tough bonded construction penetrates deep on closer targets, while the patented Slipstream™ tip initiates expansion at velocities 200 fps lower than standard polymer tips. The projectile's sleek construction and tightly-tapered hybrid ogive combined with its boat-tail ensures a high ballistic coefficient and all the advantages of match-grade accuracy.

Combined with carefully selected brass, propellents and primers, Premier Long Range is ready to perform at any distance that you are. This is Remington's highest quality big game ammunition yet.

### FEATURES

#### 1 SLIPSTREAM TIP

High ballistic coefficient for flat trajectory and ultimate accuracy. Helps initiate expansion at wide range of velocities

#### 2 IMPACT BONDED BODY

Chemically fused bullet jacket and core designed to stop separation and impart maximum retained energy and weight impact on target

#### 3 AERODYNAMIC DESIGN

Boat tail bullet and rear adjusted center of gravity assists truer flight and long range accuracy

#### 4 PREMIER COMPONENTS

Highest-quality Remington primers and propellents chosen in combination for ultimate performance across spectrum of environmental conditions

High speed videography time lapse of ballistic gel testing shows extreme energy transfer and wound channel expansion. Premier Long Range 172 grain .308 Win @ 200 yards shown.
