CBC Factory – City of Montenegro, Brazil

The Rossi revolution of firearm design and manufacture started with the founding of the company in 1889 by Amadeo Rossi. Over the last 135 years, that tradition has grown along with the company and the Rossi Family. The Rossi name represents a piece of firearm history and a tradition of excellence.

Over the years, Rossi firearms have led the way in design and engineering. At the same time, it has always been important to produce an affordable product without sacrificing any quality or accuracy. The brand's extensive range of products includes a variety of models: Lever Action, Semi-Auto, Bolt Action, Break Action and Pump Action – in Shotgun, Rimfire and Centerfire.

Since 2017, Rossi firearms are being designed, produced, and exported by CBC, in Brazil.

EXPEDITION

Based around the durable and incredibly popular Remington 700 action, the Expedition often delivers sub-MOA accuracy, thanks to its hammer-forged barrel. The Expedition also feeds from commonly available AICS pattern magazines and the stock features a scalloped cut, designed to make the gun rests perfectly in gun saddles. Hunters could also utilize the MLOK attachment point on the bottom of the stock, or the integrated Spartan Precision attachment point. The Expedition is enhanced with DLC finishing, a threaded barrel, and stainless-steel components, including the receiver, barrel, barrel nut, recoil nut, and firing pin.

RB

This cutting-edge model often deliveries a sub-MOA accuracy, thanks to its hammer-forged barrel. Meticulously engineered, the RB boasts a state-of-the-art barrel for enhanced stability, ensuring consistent performance at extended ranges. Customize your shooting experience with adjustable ergonomics, including a personalized stock and user-friendly bolt handle. The RB adapts to diverse shooting needs, offering versatility from long-range precision to all-around performance. Built to endure the elements, its durable construction guarantees reliability in challenging conditions and rugged terrains. The RB includes Cerakote finishing, classic stock and a carbon steel receiver, barrel, barrel nut, recoil nut and firing pin.

R95 CLASSIC

Few experiences match the satisfaction of operating a smooth side eject lever action. The act of chambering a round, the synchronized movements of mechanical components, and the gratifying sensation as the bolt closes – it’s a blend of kinetics and aesthetics that embodies everything one desires. Rossi has been catering to these sentiments with its lineup of pistol caliber rifles over the years, and now, it introduces a 30-30 WIN, 45-70 Government, 444 Marlin and 360 Buckhammer chambering and side-eject. The R95 Classic is available in 20 or 22-inch barrel lengths.

R95 TRIPLE BLACK

The first question we received after launching the R95 side eject was “when will a threaded, tactical model be available?” Now it is, with the launch of the R95 Triple Black in 30-30 WIN and 45-70 GOV. The 16.5-inch barrel is threaded in the common 5/8x24 pitch, the Triple Black is suppressor and optics ready. The large loop is wrapped in paracord for comfort when firing fast, and the rifle’s sighting system includes a peep sight and a picatinny rail for easy optics mounting.

R95 LAMINATED

Upgrade your R95 with the 20-inch stainless model. With peep sights and picatinny rail already installed, the only thing you need on the R95 stainless for your next hunt is an optic. This rifle will perfectly fit into a home tree stand, a horse scabbard, or hung over the mantle of your cabin. The laminate stock resists damage from the elements, meaning you'll be able to pass this rifle down for generations to come.

R95 CLASSIC

Upon the release of the R95 in rifle calibers, inquiries began pouring in: “When will the revolver calibers models be available?” In contrast to our traditional Puma lever-action, featuring a top-eject system, the R95 proudly introduces a side-eject system, designed with a keen eye for optimal scope use. Few experiences match the satisfaction of operating a smooth side eject lever action. The act of chambering a round, the synchronized movements of mechanical components, and the gratifying sensation as the bolt closes – it’s a blend of kinetics and aesthetics that embodies every desire. The Rossi R95 rifle, now available in revolver calibers, offers a selection including 44 MAG, 38 SPL – 357 MAG, 45 Colt, 44-40 WIN, and 454 Casull, ensuring a diverse range to meet varied preferences and shooting needs.

R95 TRIPLE BLACK

An ideal truck or saddle rifle, the 16.5-inch R95 Triple Black carbine is designed to resist the worst of elements. The stock and forend are wood painted with a durable all-weather black on black splatter paint. All metal parts are coated with black Cerakote finish for extreme durability. The rifle comes with a Picatinny rail to accommodate an optic and includes an adjustable rear peep sight for opensight shooting. The R95 Triple Black comes as a standard with a threaded barrel, giving shooters the option for a suppressor or muzzle brake.

PUMA CLASSIC

No rifle does classic American styling and swift, light handling like Rossi's legendary Puma. Built on the proven model 92 lever action and now available in 454 Casull. The Rossi Puma combines a traditional German beech hardwood stock with blued or stainless-steel finish to deliver a big-bore rifle suitable for the backwoods or the back forty. Adjustable rear buckhorn sight, an elegant classic wood profile, top-eject and an exquisitely smooth-cycling action prove that present-day engineering can integrate with time-honored design.

TECHNICAL INFORMATION

Action System	Lever Action
Caliber	.38SPL - .357MAG .44MAG .45COLT 44-40WIN and .454 CASULL
Finish	Black or Stainless Steel

Safety System	Thumb Safety
Sights	Buckhorn rear and large brass bead front sight

PUMA GOLD

Boasting classic western styling with a flair, the Puma Gold rifles showcase a premium German beech hardwood forearm and stock with a traditional crescent buttplate. Gold finish barrel bands, hammer, trigger, lever and buttplate provide an elegant accent to the polished black receiver, barrel, and magazine tube finish.

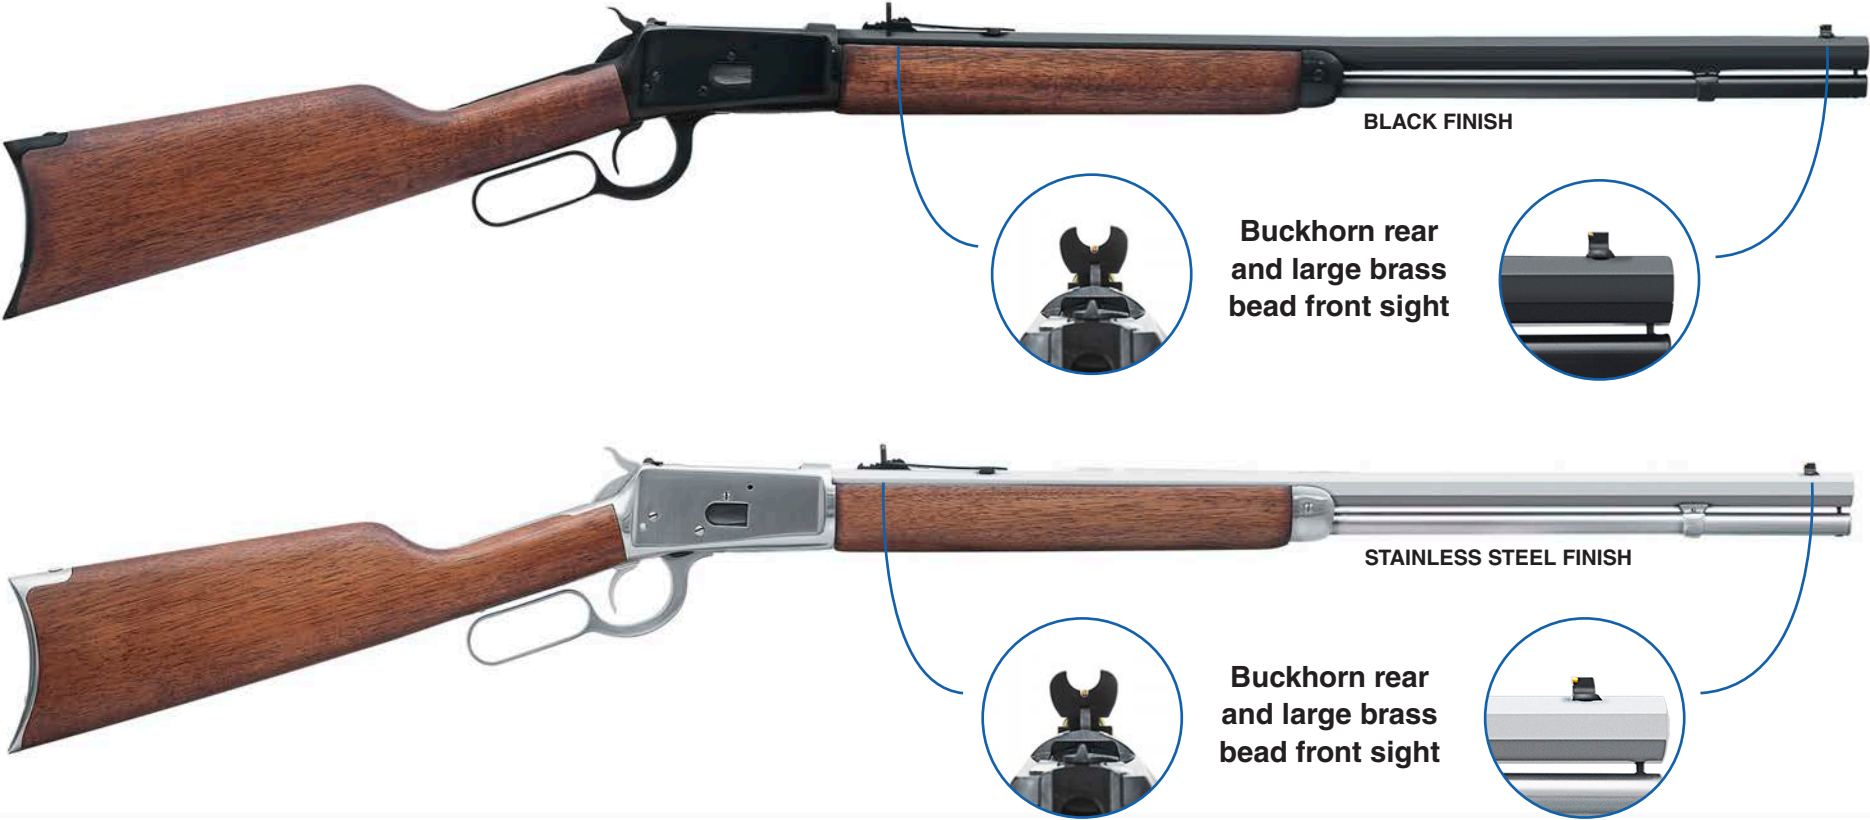

TECHNICAL INFORMATION

Caliber	.38SPL - .357MAG .44MAG
Finish	Black
Barrel Length	20"
Stock Material	German Beech Wood
Capacity	10 rounds
Safety System	Thumb Safety
Sights	Buckhorn rear and large brass bead front sight

PUMA OCTAGONAL

With a nod to historical lever-action design, this Puma features a classic octagonal barrel profile for improved accuracy and balance. The German beech hardwood furniture compliments the rifle's polished black or stainless finish from the muzzle to the buttplate. A traditional adjustable rear buckhorn sight rounds-out the heritage motif.

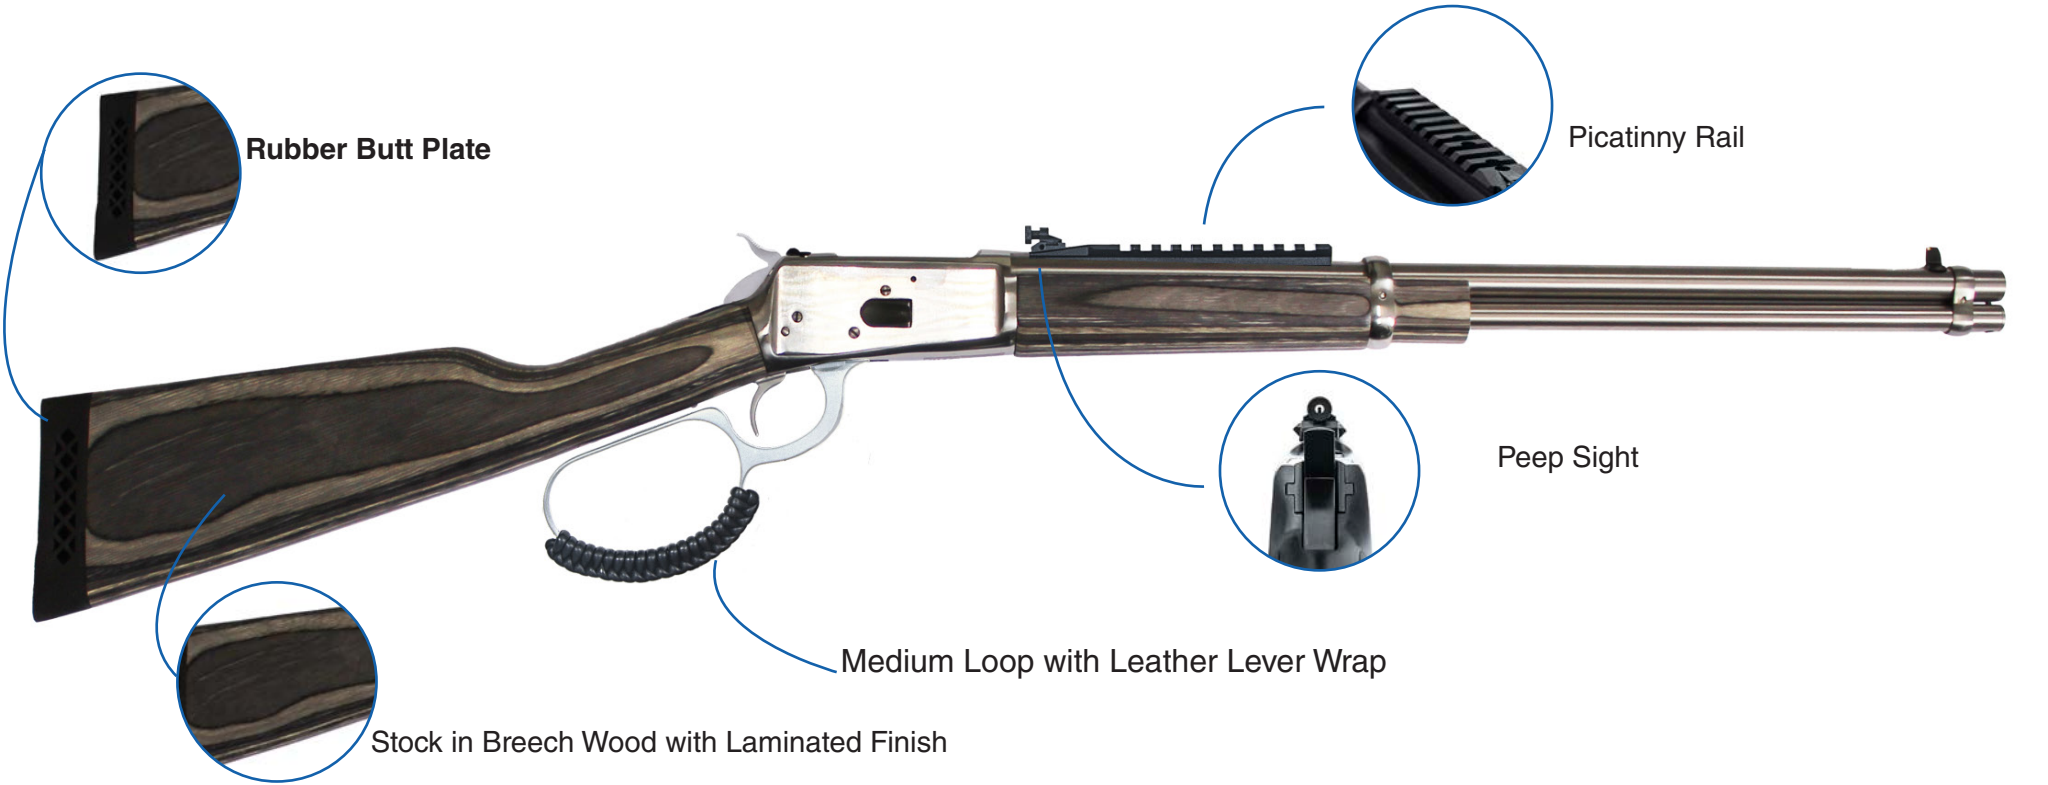

TECHNICAL INFORMATION

PUMA LAMINATED

This Puma model showcases your choice between a stunning gray laminate or premium German beech hardwood stock and forearm in addition to a functional, large loop lever. The large loop will make cycling much easier while wearing gloves out in the field. Adjustable ghost ring or buckhorn sight, an elegant classic profile, and an exquisitely smooth-cycling action proves that contemporary engineering can pair seamlessly with time-honored craftsmanship creating a rifle that looks as good as it performs.

PUMA RANCH HAND

The Puma 12-inch Ranch Hand represents a modified version of the classic Puma lever-action rifle, offered in calibers 44 MAG - 357MAG/38SPL - 45 Colt. These lever-action pistols, mirroring the full-sized rifles, seamlessly blend a traditional German beech hardwood stock with either a blued or stainless-steel finish, creating a robust big-bore firearm suitable for both the backwoods and the back forty. Remarkable features include an adjustable rear buckhorn sight, an elegant classic wood profile, top-eject capability, and an impeccably smooth-cycling action. These characteristics highlight the successful integration of contemporary engineering with time-honored design principles.

RIO BRAVO RANCH / RANCH HAND

Nothing says “TV western” like a chopped down lever action rifle, and the Ranch Hands is no exception. Whether you’re imagining slinging lead on a dusty street or in a space western, the Ranch Hands is going to give you all the fun you can handle, and then some. The short barrel 12.5-inch paired with the crisp lever action make this 22 LR an absolute blast to shoot. Guaranteed this will keep ending up in your range bag. The Ranch 20-inch barrel is perfect for casual plinking, small game hunting and marksmanship instruction. The traditional buckhorn sights pair with the long barrel to deliver a classic appearance and unmatched accuracy.

MONTENEGRO CENTERFIRE

The Montenegro shotgun has earned acclaim as a distinguished and high-quality firearm for shotshells. The Rossi Montenegro family has recently expanded its product portfolio to encompass a comprehensive range of single-shot break-action rifles in centerfire calibers. This new addition includes models available in calibers such as 350 Legend, 300 Blackout, 5.56x45mm, 6.5 Creedmoor, 44MAG and 357MAG. Each shotgun includes a spur hammer, transfer bar safety action and an integral linkage system that prevents the action of opening or closing when the hammer is cocked. The Montenegro shotgun is an ideal “truck gun” and great for small-frame shooters. The compact and light design also makes it the perfect choice for wilderness protection, survival scenarios, and is an easy grab-and-go shotgun for the farm or camp.

MONTENEGRO TURKEY HUNTING

From the rugged simplicity of the SR-12 to the no-fuss Montenegro, Rossi shotguns are rugged and dependable. No other shotgun may have as many uses as the Montenegro break-action. Part of Rossi's shotgun lineup, the Montenegro Turkey stands apart for its extended barrel length. At 26 inches, it has the longest barrel among the Montenegro shotguns. This cylinder-bore, 3-inch chamber shotgun includes an "extra full" choke tube installed on the barrel to provide increased pellet density in the .410 Bore (36 Gauge) and 20 Gauge platforms, making for a perfect match with Turkey .410 Bore (36 Gauge) | 20 Gauge specific loads. The Montenegro shotgun is an ideal "truck gun" and great for small-frame shooters. The compact and light design also makes it the perfect choice for wilderness protection, survival scenarios, and is an easy grab-and-go shotgun for the farm or camp.

MONTENEGRO PISTOL

For when you only need one shot, there's the Rossi Brawler. You can throw down on anything: from rattlesnakes to medium-sized game thanks to the Montenegro Pistol ability to fire either 45 Colt or a 410 shotshell. Plus, with the integrated picatinny rail, you're also not stuck using one grain weight ammo. You can attach any optic of your choice to the Montenegro Pistol and zero your point of impact exactly. This is your next adventure gun. A simple break-action and cross bolt safety give you the same ruggedness as a flint axe. The Montenegro Pistol trigger is another point of simplicity – a single action trigger. Cock the hammer, fire the shot, reload the rubbergrip cushions your hand against 410 shotshell recoil from the mildist birdshot up to serious 3 inch 410 bore magnum ammo.
