Protect Your Investment

REM® Oil

Rem Oil is the most versatile gun oil you can buy. The same great lubricant since 1913, the advanced formula cleans, lubricates, and protects your valuable firearms, so they will keep running and looking like new. Rem Oil penetrates the smallest metal pores, then leaves a tough, long-lasting film to help reduce metal-to-metal wear. Rem Oil quickly displaces even microscopic traces of water for advanced moisture resistance and rust protection. The best part, Rem Oil products are available in diverse sizes to match the job at hand. Plastic squeeze bottles dispense oil one-drop at a time, especially useful when lubricating small individual parts, aerosol cans help cover larger areas, and wipes are great to pack and carry in the field.

- ▶ Cleans dirt and grime from exposed metal surfaces
- ▶ Displaces non-visible moisture from metal pores
- ▶ Protects internal and external metal parts from rust and corrosion
- ▶ Exclusive formula provides thin long-lasting film that keeps actions working smoothly
- ▶ Proven effective at temperatures from -20° F to 120° F degrees
- ▶ Does not contain CFC's or paraffin
- ▶ Bottle: 1oz bottle **26617**; 2oz bottle **18366**;
- ▶ Aerosol: 4oz Aerosol **26610**; 10oz Aerosol **24027**;
- ▶ Wipes: Counter box wipes **18471**; 12ct wipes **18411**; 24ct wipes **16325**; 60ct wipes **18384**

REM® Oil With Moistureguard™

This multi-purpose rust preventative oil protects metal surfaces from rust and corrosion with Rem Oil. It includes advanced Volatile Corrosion Inhibitor (VCI) technology. VCI vapors bond with water and oxygen molecules to prevent them from starting the corrosion process. This long-lasting barrier penetrates the smallest areas with ease. Perfect for a final wipe-down before storing guns, knives, tools, and other valuable metal items. Safe on wood, synthetics, and all metals, ferrous and non-ferrous. **18378**

- ▶ A step up from classic Rem Oil, the Rem Oil with Moisture guard provide the best protection against corrosion, friction and wear
- ▶ Volatile Corrosion Inhibitor (VCI) Technology
- ▶ Instantly protects all metals from rust and corrosion

REM® Gun Grease

Rem® Gun Grease is a modern firearm lubricant formulated with the finest available base oils and additive technology. This unique blend, with a non-melt shear-stable thickening system, provides maximum protection against friction, wear, and corrosion. **18501**

- ▶ Non-melt formula
- ▶ Wide temperature range -20F to 500F
- ▶ Protects sliding parts, threads & hinge points
- ▶ Protects against rust & corrosion
- ▶ Safe for finished stocks, coated metals, and polymer parts
- ▶ Bio-degradable & non-toxic

Lead Removing Wipes

Need to clean up after a long day at the range? Remington's Lead Removing Wipes have you covered. Saturated with a gentle pH cleanser, these disposable soft-to-touch towels are safe to use on your skin and gear. Remove trapped lead, nickel, silver, zinc, and a variety of other toxic metals to ensure you are ready for the next adventure. **RLRW**

- ▶ Available in a 60-count pop up canister
- ▶ Extremely convenient and portable
- ▶ Ideal for a range bag, gun cleaning area, or a workshop

Brite Bore®

Remington Brite Bore solvent will clean the inner bore of your firearm's barrel to a mirror shine finish. This product dissolves and removes all the contaminants left behind after firing.

- ▶ Dissolves carbon & powder fouling, removes copper, lead & plastic deposits
- ▶ Low odor
- ▶ Contains no CFC's
- ▶ Cleans choke tubes
- ▶ 2OZ **18367**
- ▶ 6OZ **18394**

REM® Drilube

Formulated for superior lubricity without leaving any dust collecting residue behind and is perfect for protecting firearms in sub-zero temperatures. The dry graphite lubricant provides a tough, non-congealing film without residue to keep firearms functioning dependably to -40°F. **18396**

- ▶ Leaves a dry Cerflon coating for faster, smoother firearm action
- ▶ Long lasting for all weather conditions
- ▶ Stays where applied - won't run or drip

40-X™ Bore Cleaner

Remington 40-X Bore Cleaner is a non-eroding bore cleaner made with earth suspension in mineral oil. Improving your accuracy by removing carbon and other debris that can affect mechanical action, it is environmentally safe and is nonacidic. Natural abrasives scrub away all types of fouling but will not scratch even the finest bores, leaving your bore sparkling clean without time-consuming soaking. **18397**

- ▶ Formulated for rifles to improve cleaning, accuracy, and performance
- ▶ Contains high polishing compounds to make your bore mirror-clean
- ▶ Fast and easy to use; no soaking or foul odors

REM Action Cleaner

Designed to ensure smooth, reliable gun function in all weather conditions, Rem Action Cleaner cleans firearm actions and fire-control mechanisms without disassembly. Leaving no surface residue behind, Rem Action Cleaner dissolves used lubricants, including grease and oils, producing a clean, dry surface. Contains no CFC's or Carcinogens. Available in sizes for a variety of applications.

- ▶ Cleans dirt, powder residue, and caked on lubricants from actions & fire control mechanisms without disassembly
- ▶ Dries quickly leaving no residue
- ▶ 4oz **19925**
- ▶ 10.5oz **18395**

Shotgun Cleaner

Remington Shotgun Cleaner cleans trigger groups, gas ports, choke tube threading, receivers, chambers, barrels, and magazine tubes. Dissolves powder residue, fouled lubricants, burnt carbon deposits and gunk. Blasts away gummy caked-on grime in hard-to-reach areas such as ejectors, firing pin assemblies, trigger components and bolt recesses. Here are some of the areas this cleaner is useful in. **18472**

- ▶ Trigger groups
- ▶ Choke tube threads
- ▶ Semi-auto gas ports
- ▶ Receiver and magazine tubes
- ▶ Chambers & barrel residue

REM® Cloth With Moistureguard™

These multi-purpose rust preventative cloths protect metal surfaces from rust and corrosion with Rem Oil. Cloth includes advanced Volatile Corrosion Inhibitor (VCI) technology. VCI vapors bond with water and oxygen molecules to prevent them from starting the corrosion process. This long-lasting barrier penetrates the smallest areas with ease. Perfect for a final wipe-down before storing guns, knives, tools, and other valuable metal items. Safe on wood, synthetics, and all metals, ferrous and non-ferrous. **19902**

- ▶ A step up from classic Rem Oil, the Rem Oil with Moisture guard cloths provide the best protection against corrosion, friction and wear
- ▶ Volatile Corrosion Inhibitor (VCI) Technology
- ▶ Instantly protects all metals from rust and corrosion

Bore Light

The Rem™ Bore Light with extended flexible light is ideal for inspecting firearms for cleanliness, imperfections, and fouling. It is also useful for inspection of used firearms prior to purchase for barrel imperfections, bulges, tooling marks, scratches and residue. **19531**

- ▶ Flexible neck for hard to see and reach places
- ▶ High Intensity LED light beam
- ▶ Convenient Click On/Off button
- ▶ Applicable for all calibers & gauges
- ▶ Batteries not included

NEW! Remington Gun Cleaning Mat

Ideal for use on table tops or benches for easy gun cleaning. The pad's soft, acrylic surface material won't scratch guns, valuables, or tabletops and helps keep small parts from rolling away. Absorbent top material traps and holds up to eight times its weight in fluids, while a non-slip vinyl bottom forms a barrier to prevent spilled fluids from soaking through. Fully machine-washable and dryable, the Rem Pad is a smart addition to your gun cleaning accessories. Available in Medium (12" x 28") and Large (16" x 54"). Green with Remington logo.

Available in Medium (12" x 28") RCM20 and Large (16" x 54") RCM50

- ▶ Absorbent, yet waterproof and stain resistant
- ▶ Plush surface stops small parts from rolling away and getting lost
- ▶ Rounded corners for a finished look
- ▶ Heavy-duty double-stitched edges will take years of punishment
- ▶ Works great for other small jobs such as reel repair and toy assembly

Dehumidifer

This compact unit attracts and holds moisture through water crystal technology to protect gun safes and cabinets from excessive moisture. These humidifiers are rechargeable, so forget the batteries or power outlets electricity.

- ▶ Rechargeable
- ▶ Protects against excessive moisture
- ▶ Non-toxic and eco-friendly – child and pet safe
- ▶ 365 MINI - **19950**
- ▶ MODEL 500 - **19946**

Gun Sack with Silicone

12" LONG **17269** | 52" LONG **18494**

Remington Gun Socks are specifically designed to protect valuable firearms during storage or travel. Thick, 100% polyester fabric protects against dirt and scratches, and silicone treatment helps guard against rust. 52 inch will fit most rifles and shotguns, with or without scopes. 12 inch is the perfect size for handguns and works great for other valuables such as your optics and lighting accessories. Drawstring closure. Multi-green.

- ▶ Protects firearms during storage or travel
- ▶ Thick 100% polyester fabric protects against dirt and scratches
- ▶ Silicone treatment helps guard against rust
- ▶ Multi-green
- ▶ Drawstring closure

Sportsman Cleaning Kit

The Remington Sportsman Cleaning Kit is an affordable kit, equipped with the tools to clean and maintain 22-caliber to 12-gauge firearms. Ideal for the home or lodge, this 27-piece cleaning kit is housed in an attractive wooden case for easy storage. Oils and solvents sold separately. **19054**

- ▶ 3-piece aluminum cleaning rod threaded to accept #8-32 brushes and accessories

The Bullet Knife Reborn

2024 WATERFOWLER BULLET KNIFE LIMITED EDITION

Celebrate the annual tradition of Remington's world famous Bullet Knife, often hailed as America's most collectible pocket knife. This American made collectible favorite features 1095 Carbon Steel Clip point, long spey partially serrated blades, a birding gut hook, and the famous nickel silver Bullet shield inlayed in a genuine jigged bone handle. With only a limited quantity produced, don't miss your chance to add the highly sought after 2024 edition to your collection before they're gone. Proudly made in the USA.

Keep Warm

Remington Stretch Flannel

Who doesn't love a classic flannel? This custom designed checkered Remington flannel is made from a polyester/viscose/spandex blend, which gives the flannel a light stretch. It also features a brushed interior for ultimate comfort. Available in six men's sizes, from small to 2XL.
